Report description:

In 2024, digestive remedies in India is set to experience moderate retail current value growth, with a particularly significant increase in sales of diarrhoeal remedies. According to data from the Ministry of Earth Sciences, India faced one of its harshest summers on record, with over 200 heatwave days recorded across various states, therefore intensifying the risk of dehydration and heat-related illnesses. Such conditions led to heightened demand for Oral Rehydration Salts (ORS), which became a...
