Report description:

Effective from the middle of September 2024, the government of India hiked the basic customs duty on crude edible oils such as palm oil, soybean oil, and sunflower oil from 0% to 20%, and raised the basic customs duty on refined oils from 12.5% to 32.5%. This increase in import taxes is set to drive increases in local prices in 2024, but in the longer term bolster local production and ensure that farmers receive fair compensation for their produce. Currently, more than half of India's demand for...
