- Multiple User License (Global) €2985.00

### **Report description:**

In contrast to the surge in demand at the height of the pandemic due to prolonged home seclusion, retail volume sales of food preparation appliances in Australia are falling for a third consecutive year in 2024, as consumers reduce their spending across the category after making considerable investments earlier in the review period. Consumers still interested in food preparation appliances are increasingly searching for multipurpose options that combine functionality and efficiency to reduce cos...

Euromonitor International's Food Preparation Appliances in Australia report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2020-2024, allowing you to identify the sectors driving growth.
