Report description:

Blenders, the largest category in food preparation appliances in Egypt, witnessed healthy retail volume growth in 2024, despite higher prices. Population growth, urbanisation and the related rise in the number of households, alongside increasingly hectic lifestyles, stimulated the demand for blenders. Hand models provided the main growth drivers in blenders. While the average retail unit price of hand blenders is much higher than that of countertop blenders, the functions and accessories that co...
