Report description:

The pace of retail price increases for hot drinks in Cameroon has decelerated in 2024 compared to previous years. However, production costs remain elevated, primarily due to the persistently high prices of raw materials. For example, the price of fresh Robusta coffee has decreased by XAF100 per kg, yet instant coffee, which is exclusively imported, has seen final retail prices rise sharply due to significant increases in maritime fees. Moreover, the price of raw cacao has risen substantially, le...
