Report description:

Hot drinks in Slovenia continues to witness stable consumer demand despite stagnant demographic growth in 2024. This translated into moderate retail volume growth, whilst value growth was driven by the lingering effects of strong inflationary pressure and price increases of 2022 and 2023. Coffee, the largest category in hot drinks, continues to experience rising popularity thanks to the growing coffee culture and increased interest in premium speciality coffees. A growing number of consumers are...
