Report description:

The Indonesian government has actively promoted the country's jewellery industry, recognising its potential as a significant contributor to the national economy. Consequently, Indonesia's jewellery exports have been steadily increasing, driven by international demand, particularly from Asia. Indonesian jewellery is highly sought after for its unique blend of traditional craftsmanship and modern designs and has gained more global recognition in recent years, with local products capturing internat...

Euromonitor International's Jewellery in Indonesia report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (2020-2024), allowing you to identify the sectors driving growth.
