### **Report description:**

Volume sales of RTD coffee in Serbia in 2024 are boosted by growing consumer awareness about RTD coffee and it being a small, unsaturated category. An expanding product assortment is also supporting sales in the year. However, high price growth and a decline in consumers' disposable incomes prevent higher category growth.

Euromonitor International's RTD Coffee in Serbia report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (2020-2024), allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they legislative, distribution, packaging or pricing issues.
