### **Report description:**

Retail volume sales of vacuum cleaners are set to decline in Hungary in 2024. Consumers have become less interested in cylinder vacuum cleaners, as these products are seen as not providing the convenience that consumers are looking for and have already achieved a deep level of penetration in Hungarian households. This has affected the total volume sales of vacuum cleaners, which have been declining in 2024. Most consumers in the country own a powerful cylinder vacuum cleaner at home, with many u...
