Report description:

In 2024, writing instruments in Sweden recorded relatively positive retail value and volume growth, compared to the more fluctuating growth rates seen during the review period. Naturally, writing instruments saw a notable decline in 2020 during the COVID-19 pandemic, followed by a resurgence post-pandemic, with people returning to offices, schools, and universities to a greater extent. However, the resurgence was not as notable as seen in other countries due to most schools remaining open through...
