### **Report description:**

Having declined in 2023, retail constant value sales of air care in Pakistan rebounded strongly in 2024, as the annual rate of inflation eased somewhat. Nonetheless, price sensitivity remained a critical factor in 2024, influencing consumer choices in air care. With inflation still affecting household budgets, many consumers are opting for cost-effective options, such as basic aerosol air fresheners and smaller pack sizes. Local brands are capitalizing on this trend by offering affordable altern...
