### **Report description:**

Air care in Saudi Arabia posted solid growth in terms of both retail volume and current value sales in 2024. The rapid pace of urban development and population growth in the Kingdom is creating a steady increase in the demand for air care products in homes and offices. Local consumers are presented with a wide array of options, including sprays, gels, and plugins, to cater to their diverse preferences. Despite the enduring tradition of burning oud and bakhoor wood chips for fragrance, brands li...

Euromonitor International's Air Care in Saudi Arabia market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth.
