- Multiple User License (Global) €2985.00

Report description:

Air care posted robust growth in 2024, with all categories registering increases in retail volume growth. Sales were stimulated by the launch of novelties with leading players expanding premium lines containing natural ingredients. When marketing these products, the messaging is focused on the connection with mood and wellbeing. Spray/aerosols are slowly being replaced by automatic air fresheners in Serbia although the higher price is a hindrance which prevents uptake among less affluent consume...

Euromonitor International's Air Care in Serbia market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth.
