AVAILABLE LICENSES:

- Single User Licence €995.00
- Multiple User License (1 Site) €1990.00
- Multiple User License (Global) €2985.00

Report description:

The air care market in Slovenia experienced solid growth in current value terms in 2024. This was partly due to rising prices, in response to recent inflationary pressures. This pricing strategy has helped the category navigate stagnating consumer demand caused by more cautious spending and the prioritising of essential purchases, often to the exclusion of perceived less necessary items, like air care.

Euromonitor International's Air Care in Slovenia market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts to 2029 illustrate how the market is set to change.

Product coverage: Air Fresheners.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

- * Get a detailed picture of the Air Care market;
- * Pinpoint growth sectors and identify factors driving change;
- * Understand the competitive environment, the market's major players and leading brands;
- * Use five-year forecasts to assess how the market is predicted to develop.
