Report description:

Air care in Czech Republic recorded rises in terms of both retail volume and current value sales in 2024. Since the pandemic, there has been a growing tendency to view the home as a sanctuary - a trend further strengthened by the cost-of-living crisis and persistently high inflation. Within this context, air care products such as candle and liquid air fresheners have become increasingly popular. These products offer a relatively low-cost means of creating a welcoming and relaxing home environmen...
