### **Report description:**

In 2024, air care in the Philippines saw low retail volume and current value growth rates, with increases across all categories. However, as air care products are generally regarded as non-essential by Filipinos, value sales remain relatively low compared with many other home care categories in the country. Gel air fresheners continued to reign as the most popular air care category in the Philippines, with leading brands such as Glade, Ambi-Pur, and Albatross maintaining significant retail value...
