- Multiple User License (Global) €1737.00

Report description:

American Express is a leading global financial services provider and one of the world's largest card issuers and networks, renowned for its charge and commercial credit cards products. It is also one of the few global networks that also issues a great proportion of its total cards in circulation. While the company's major revenue-generating region is the US, it has a global presence. In 2023, thanks to its growth strategy, the company once again achieved double-digit growth, outpacing the market...

Euromonitor International's American Express Co. in Payments and Lending (World) Company Profile offers detailed strategic analysis of the company's business, examining its performance in the Payments and Lending industry. The report examines company shares by region and sector, product developments, market and distribution strategies, challenges from the competition and future prospects. Use it to understand opportunities and threats facing the business and the factors driving success.

Product coverage: Consumer Lending, E-Commerce in Proximity Location by Industry, Financial Cards and Payments.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
