### **Report description:**

Direct selling saw declining retail value sales in current terms in Greece in 2024. The channel continued to suffer as consumers turned to e-commerce for convenience and became ever more familiar with and confident in shopping online. While companies such as Avon, Oriflame and Herbalife still hold a market presence, they are facing significant difficulties in attracting younger consumers, who prefer online shopping platforms to traditional face-to-face selling. This applies mostly to younger age...

Euromonitor International's Direct Selling in Greece report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers.
