### **Report description:**

Home care in Bolivia registered healthy current value growth, though volume growth was much more moderate. There were serious challenges for the economy in 2024 and this dampened volume growth to an extent. There was a severe shortage of US dollars owing to falling foreign reserves arising from declining gas production and mounting debt levels. A failed coup in June also heightened economic instability. This led to high inflation, with some citizens struggling to access basic goods. Imported bra...

Euromonitor International's Home Care in Bolivia market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts to 2029 illustrate how the market is set to change.
