Report description:

Volume sales of household care are experiencing further decline in 2024. Price inflation in Estonia continues to rise, supported by the VAT increase at the beginning of the year. Coupled with the overall sluggish performance of the local economy, this price hike has impacted consumer confidence in the country. To encourage sales and maintain their positions, home care players have significantly increased promotions in the year, reaching levels seen in neighbouring markets. Despite the challenges...

Euromonitor International's Home Care in Estonia market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts to 2029 illustrate how the market is set to change.

Product coverage: Air Care, Bleach, Dishwashing, Home Insecticides, Laundry Care, Polishes, Surface Care, Toilet Care.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

- * Get a detailed picture of the Home Care market;
- * Pinpoint growth sectors and identify factors driving change;
- * Understand the competitive environment, the market's major players and leading brands;
- * Use five-year forecasts to assess how the market is predicted to develop.

Euromonitor International has over 40 years' experience of publishing market research reports, business reference books and online information systems.
