- Multiple User License (Global) €2985.00

Report description:

While laundry care registered healthy current value growth in Algeria in 2024, volume growth was minimal. Inflation was still an issue, though it has eased, and this continued to dampen volume sales. That being said, laundry care is an essential home care product, being the largest in terms of value sales, and this continued to support volume sales. Laundry detergents continued to account for most value sales, though fabric softener registered the highest value growth.

Euromonitor International's Laundry Care in Algeria market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts to 2029 illustrate how the market is set to change.

Product coverage: Carpet Cleaners, Fabric Softeners, Laundry Aids, Laundry Detergents.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?
