Report description:

Cryptocurrency continues to be linked closely to both open loop as well as closed loop pre-paid cards in the US. On the purchasing side, cryptocurrency is linked to purchasing of both open and closed loop gift cards. Various sites and functions exist which allow consumers who hold cryptocurrency to exchange their currency for gift cards which can be used at restaurants, retailers, and other locations. This is a useful function for cardholders, because most merchants in the US do not natively acc...
