Report description:

Pulses is expected to maintain total volume growth in India in 2024, with particularly strong growth rates anticipated for beans and peas. Volume growth is set to be seen across all channels, driven by rising demand for plant-based proteins and their nutritional benefits, as more consumers seek healthier, protein-rich options. The high levels of fibre, vitamins, and minerals in pulses also make them increasingly popular amongst health-conscious consumers, fuelling production and consumption. Pul...
