Report description:

Surface care in Croatia is adapting to the needs of a growing tourism market with tourists seeking ready-to-use and hassle-free cleaning solutions. Tourists staying in short-term rentals and vacation homes often prioritise convenience and efficiency, opting for single-use or disposable surface care products like Swiffer wipes. These products provide an effective and portable cleaning solution without requiring additional equipment or long-term storage, making them ideal for temporary stays. Bran...

Euromonitor International's Surface Care in Croatia market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues.
