Report description:

Despite rising living costs in recent years, Dominicans continue to prioritise home care tasks, particularly surface cleaning. The strong association between hygiene, home cleanliness, and overall health is well-established among local consumers - a mindset that was further reinforced during the pandemic, solidifying surface cleaning as an essential part of daily routines. However, consumers have also become more mindful of cost-saving alternatives when purchasing cleaning products. As such, ret...

Euromonitor International's Surface Care in Dominican Republic market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth.
