- Multiple User License (Global) €2985.00

### **Report description:**

In 2024, the surface care category in Indonesia posted solid single-digit growth. Surface care products remain essential for households across the country, with the heightened focus on hygiene and cleanliness continuing to influence consumer behaviour. However, the growth rate was moderate due to market saturation in urban areas and the price sensitivity of many local consumers, especially those in rural regions. Standard floor cleaners was the most significant contributor to both volume and val...

Euromonitor International's Surface Care in Indonesia market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues.
