### **Report description:**

In 2024, the toilet care market in Bulgaria demonstrated positive growth in both volume and current volume terms, assisted by the stabilisation of unit prices. This came in spite of ongoing operational cost pressures for distributors and retailers, driven by rising energy prices and higher wages. Performance varied across the category, with rim blocks and toilet liquids/foams leading growth. The success of rim blocks is attributed to their dual effect: these products not only clean the toilet bo...
