Report description:

In line with rising awareness of sustainability in Denmark, packaging innovation is gaining traction in toilet care. There is a strong desire for more sustainable options in toilet care as households seek to minimise their environmental impact. In 2024, the rim block brand Ambi-Pur launched its WC Active Gel Block in a so-called 'eco pack' made entirely from 100% cardboard and zero plastic. Similarly, packaging for the rim block brand WC Duck comes with recyclable packaging, with blister and str...

Euromonitor International's Toilet Care in Denmark market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts to 2029 illustrate how the market is set to change.
