- Multiple User License (Global) €2985.00

### **Report description:**

ITBs dominate sales of toilet care in Greece with these products providing a convenient and efficient way to keep toilets clean. The penetration of ITBs increased significantly over the review period but this is now leading to a slowdown in the growth of the category in retail volume terms as the category reaches maturity. A decline in promotional activities also impacted sales with companies being forced to lower their prices, which in turn also led to toilet care seeing a steep decline in curr...

Euromonitor International's Toilet Care in Greece market report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data (historic date range), allowing you to identify the sectors driving growth.
