### **Report description:**

Vending in Spain remained largely driven by tobacco sales in 2024, as vending is one of only two channels through which tobacco products are sold in the country. The decline in tobacco consumption shapes the entire category's performance, pulling down overall vending sales. Aside from government efforts to reduce smoking prevalence, Spain also has several anti-smoking groups, the most prominent of which is the National Committee for the Prevention of Tobacco Consumption (CNPT). This group works...
