Report description:

This report provides a detailed data-centric analysis of the Buy Now Pay Later (BNPL) industry in Morocco, covering market opportunities and risks across a range of retail categories. With over 75 KPIs at the country level, this report provides a comprehensive understanding of BNPL market dynamics, market size and forecast, and market share statistics.

It breaks down market opportunities by type of business model, sales channels (offline and online), and distribution models. In addition, it provides a snapshot of consumer behaviour and retail spending dynamics. KPIs in both value and volume terms help in getting an in-depth understanding of end market dynamics.

PayNXT360's research methodology is based on industry best practices. Its unbiased analysis leverages a proprietary analytics platform to offer a detailed view of emerging business and investment market opportunities.
