Report description:

Healthcare Providers in South Korea

Summary

Healthcare Providers in South Korea industry profile provides top-line qualitative and quantitative summary information including: market size (value 2019-24, and forecast to 2029). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

Key Highlights

- Healthcare providers market encompasses the total expenditure on healthcare in each country. It covers all the final consumption spending on healthcare goods and services. The market is segmented into inpatient care, outpatient care, long-term care, medical goods, and collective services and capital formation.
- The South Korean healthcare providers market recorded revenues of \$268.6 million in 2024, representing a compound annual growth rate (CAGR) of 9.1% between 2019 and 2024.
- The outpatient care segment accounted for the market's largest proportion in 2024, with total revenues of \$82.8 million, equivalent to 30.8% of the market's overall value.
- According to GlobalData, in 2024, the South Korean healthcare providers market grew by 4.1% annually. The growth is attributed to the mounting aging population. According to the Ministry of the Interior and Safety, in December 2024, the population aged 65 and older in South Korea reached 10.2 million. This is increasing the demand for long-term medical care and, therefore, healthcare services.

Scope

- Save time carrying out entry-level research by identifying the size, growth, major segments, and leading players in the

healthcare providers market in South Korea

- Use the Five Forces analysis to determine the competitive intensity and therefore attractiveness of the healthcare providers market in South Korea
- Leading company profiles reveal details of key healthcare providers market players' global operations and financial performance
- Add weight to presentations and pitches by understanding the future growth prospects of the South Korea healthcare providers market with five year forecasts

Reasons to Buy

- What was the size of the South Korea healthcare providers market by value in 2024?
- What will be the size of the South Korea healthcare providers market in 2029?
- What factors are affecting the strength of competition in the South Korea healthcare providers market?
- How has the market performed over the last five years?
- What are the main segments that make up South Korea's healthcare providers market?

Table of Contents:

Table of Contents

1 Executive Summary

1.1. Market value

1.2. Market value forecast

1.3. Category segmentation

1.4. Geography segmentation

1.5. Market rivalry

1.6. Competitive landscape

2 Market Overview

2.1. Market definition

2.2. Market analysis

3 Market Data

3.1. Market value

4 Market Segmentation

4.1. Category segmentation

4.2. Geography segmentation

4.3. Market distribution

5 Market Outlook

5.1. Market value forecast

6 Five Forces Analysis

6.1. Summary

6.2. Buyer power

6.3. Supplier power

6.4. New entrants

6.5. Threat of substitutes

6.6. Degree of rivalry

7 Competitive Landscape

7.1. Who are the leading players?

7.2. What are the strengths of the leading providers?

7.3. What are the recent developments in the market?
