Key Highlights

Caterpillar Financial Services Corp is a financial services company that provides a comprehensive range of financing solutions for customers of Caterpillar Inc., one of the world's leading manufacturers of construction and mining equipment, diesel and natural gas engines, industrial gas turbines, and diesel-electric locomotives. Established in 1981, the company plays a critical role in supporting Caterpillar's global customer base by offering tailored financial products that facilitate the acquisition and management of equipment and assets.

With a strong international presence, Caterpillar Financial Services Corp operates in more than 30 countries, ensuring that businesses and individuals worldwide have access to financing solutions that meet their needs. The company's headquarters are located in Tennessee, United States, from where it oversees its global financial operations. It provides a variety of financial products, including loans, leases, and insurance services, helping customers manage their investments efficiently.

The company's business segments include equipment financing, dealer support, and insurance services, allowing it to generate revenue through interest income, lease payments, and related financial services. By leveraging its deep industry expertise, Caterpillar Financial Services Corp also offers online tools and resources that enable customers to manage their accounts and payments conveniently. Through its commitment to financial flexibility and customer-centric solutions, the company continues to be a key player in the industrial and heavy equipment financing sector, supporting businesses in optimizing their operations and investments across multiple industries.
