Key Highlights

Canada Pension Plan Investment Board (CPPIB), also known as CPP Investments, is a Canadian Crown corporation responsible for managing the assets of the Canada Pension Plan (CPP). Established in 1997, CPPIB operates as one of the largest pension fund managers in the world, ensuring the long-term sustainability and growth of retirement funds for millions of Canadians. The organization is headquartered in Toronto, Ontario, and has a significant global presence with offices in key financial hubs such as New York, London, Hong Kong, Mumbai, and Sao Paulo.

CPPIB invests across a diversified portfolio to generate sustainable returns, focusing on public equities, private equity, real estate, infrastructure, and fixed-income instruments. Through a disciplined and strategic investment approach, CPPIB seeks to maximize long-term value while maintaining a prudent risk management framework. The organization's investments span various industries and geographies, reinforcing its commitment to diversification and resilience. As a global investor, CPPIB collaborates with partners and stakeholders to identify high-value opportunities in both developed and emerging markets.

With assets under management exceeding hundreds of billions of dollars, CPPIB plays a crucial role in safeguarding the financial security of Canadian retirees. The organization adheres to principles of transparency, governance, and responsible investing, ensuring that investment decisions align with sustainable and ethical practices. Through its global investment strategy and focus on long-term value creation, CPPIB continues to be a key pillar in Canada's pension system, securing financial stability for future generations.
