## Key Highlights

Slovensky plynarensky priemysel AS is the largest energy supplier in Slovakia with a strong reputation for delivering reliable and competitive energy and related services. The company was incorporated in 2001 and is headquartered in Bratislava Slovakia. It provides energy solutions to nearly 1.5 million customers across all regions of Slovakia ensuring secure access to gas and energy services. Beyond its domestic operations SPP is active in the Czech Republic and conducts trading activities across the entire European market.

Its main business segments include energy supply energy services smart energy solutions and the development of renewable energy sources such as electricity and biomethane. SPP has also contributed to alternative transport solutions through its subsidiary SPP CNG sro which promotes the use of compressed and liquefied natural gas in transport. In partnership with the Czech CEZ Group SPP established ESCO Slovensko to focus on energy efficiency. Since 2014 the company has been fully owned by the Slovak Republic.
