## Key Highlights

Telenet Group Holding NV is a leading telecommunications and entertainment provider operating primarily in Belgium and Luxembourg. Established in 1994, the company has grown to become a key player in the digital services sector, offering a comprehensive range of fixed-mobile convergence (FMC) solutions. Telenet provides broadband internet, fixed-line telephony, mobile telecommunications, and premium entertainment services to residential and business customers. Headquartered in Mechelen, Belgium, the company has a strong presence in the region, continuously expanding its infrastructure and service offerings to meet the evolving needs of consumers and enterprises.

Telenet operates a robust hybrid fiber-coaxial (HFC) network and has been actively expanding its fiber-to-the-home (FTTH) capabilities through its infrastructure company, Wyre, which was established in 2023. The company also operates its own 4G and 5G mobile networks, positioning itself as a leading mobile network operator in Belgium. It provides mobile services under the Telenet and BASE brands, offering both prepaid and postpaid plans.

In addition to telecommunications, Telenet is a major player in the entertainment industry. The company delivers high-definition television, video-on-demand, and its own streaming platform, Streamz, featuring exclusive content. Telenet also serves the business sector by offering cloud services, hosting, and cybersecurity solutions. Following its acquisition by Liberty Global, Telenet continues to invest in digital innovation, network expansion, and digital inclusion programs such as Essential Internet, ensuring access to affordable internet for vulnerable citizens. Through continuous innovation and strategic growth, Telenet remains a key force in shaping the digital landscape in Belgium and beyond.
