Key Highlights

The Northwestern Mutual Life Insurance Company, commonly known as Northwestern Mutual, is a leading American financial services and life insurance provider. Founded in 1857 and headquartered in Wisconsin, the company has built a strong legacy of financial strength and mutual values. With a nationwide presence, Northwestern Mutual serves millions of clients across the United States through a network of financial advisors and offices located in major cities. The company operates in key business segments, including life insurance, disability insurance, long-term care insurance, annuities, and investment services. In 2023, Northwestern Mutual managed over \$281 billion in client assets and maintained total life insurance protection exceeding \$2.3 trillion. The firm remains the largest direct provider of individual life insurance in the U.S. and continues to be recognized for its consistent dividend payouts and high retention rates. As a mutual company, it is owned by policyowners and prioritizes long-term value and financial security.
