Key Highlights

Banco de la Provincia de Buenos Aires, headquartered at Calle 7 No. 726, La Plata, Buenos Aires, Argentina, is a prominent public banking institution founded in 1822. As one of the oldest banks in Argentina, it plays a crucial role in the country's financial system. The bank operates through several key segments, including personal banking, corporate banking, and investment services. Its personal banking division offers a comprehensive range of products and services such as savings and checking accounts, loans, credit cards, and insurance products tailored to meet the diverse needs of individual customers. The corporate banking segment provides financial solutions for businesses, including commercial loans, cash management, and trade finance services, supporting the growth and development of enterprises across various industries.

Additionally, Banco de la Provincia de Buenos Aires offers investment services, including asset management and advisory services, catering to both individual and institutional investors. The bank's operations are primarily concentrated in the Buenos Aires province, where it maintains a widespread network of branches and ATMs, ensuring accessibility and convenience for its customers. With its long-standing history and commitment to financial inclusion, Banco de la Provincia de Buenos Aires continues to be a trusted partner for individuals and businesses in the region.
