## Key Highlights

Eskom Holdings SOC Ltd, established in 1923, is South Africa's primary electricity utility and operates as a state-owned company under the ownership of the Government of the Republic of South Africa.

Headquartered in Johannesburg, Gauteng, Eskom is one of the largest power utilities in Africa, employing over 40,000 full-time staff. The company is vertically integrated, operating across three core business segments: Generation, Transmission, and Distribution.

Eskom generates approximately 86% of South Africa's electricity and about 20% of the power consumed on the African continent, making it a vital contributor to regional energy security. It plays a key role in the Southern African Power Pool (SAPP) through its extensive grid network. The company operates within the power industry and the broader electric utilities sector. For the financial year ending in March, Eskom reported revenue of R295.8 billion (Rm).
