## Key Highlights

Ajmer Vidyut Vitran Nigam Ltd AVVNL is a key electricity distribution company operating in Rajasthan India. Established in the year 2000 the company plays a vital role in ensuring a stable and efficient power supply to consumers in the Ajmer region. Headquartered at Old Power House Near Bapu Bazar Ajmer Rajasthan AVVNL is responsible for distributing electricity to residential commercial and industrial customers across its designated service area. The company is committed to maintaining and enhancing its power distribution network implementing modern infrastructure and adopting efficient energy management practices to improve service delivery.

AVVNL's operations are primarily concentrated in the Ajmer division covering a significant portion of Rajasthan. The company manages a complex network of substations transmission lines and distribution feeders to ensure a reliable and uninterrupted power supply. In addition to its core function of electricity distribution AVVNL actively engages in initiatives aimed at modernizing its operations incorporating digital technologies and improving customer service. Through investments in infrastructure upgrades and smart energy solutions the company seeks to enhance operational efficiency and provide better service to its consumers.

As part of its commitment to sustainable energy management AVVNL is also involved in energy conservation programs and initiatives to reduce transmission and distribution losses. The company continues to focus on optimizing its power supply system to support the growing energy demands of the region while contributing to economic development. By ensuring a steady and dependable electricity supply AVVNL plays a crucial role in meeting the energy needs of individuals businesses and industries in Rajasthan.
