Key Highlights

NFP Corp is a leading insurance brokerage and consulting firm that offers a broad array of services in risk management, employee benefits, and insurance. Established in 1998, NFP has significantly expanded its footprint through a combination of strategic acquisitions and organic growth, positioning itself as a major player in the industry. The company delivers a comprehensive suite of solutions designed to meet the diverse needs of its clients, which include businesses, individuals, and organizations of varying sizes.

NFP's service offerings encompass employee benefits consulting, retirement plan services, property and casualty insurance, and risk management. The firm's client-focused approach emphasizes the creation of tailored solutions that address specific needs and challenges. By leveraging its extensive network of industry professionals and cutting-edge technology, NFP provides innovative strategies that help clients manage their risks and optimize their insurance programs effectively.

The company's commitment to delivering high-quality service is evident in its personalized approach and dedication to understanding each client's unique situation. NFP is renowned for its ability to produce tangible results and build lasting relationships with clients. Its reputation for excellence is built on a foundation of deep industry knowledge and a proactive, solutions-oriented mindset. As a result, NFP continues to thrive and maintain a strong position within the insurance brokerage and consulting sector.
