Key Highlights

UBP S.A. (Union Bancaire Privee) is a distinguished Swiss private bank founded in 1969, with its headquarters located in Geneva. The bank has garnered a reputation for its exceptional wealth management and private banking services, focusing on serving high-net-worth individuals, families, and institutional clients worldwide. UBP's primary objective is to offer personalized financial solutions designed to preserve and enhance clients' wealth through a diverse array of services.

UBP stands out for its expertise in alternative investments and asset management, catering to the unique needs of its clients. The bank provides comprehensive services including portfolio management, investment advisory, and wealth planning, with a strong emphasis on tailoring strategies to meet individual client requirements. UBP's approach combines rigorous risk management with innovative investment solutions, ensuring that client portfolios are both resilient and growth-oriented.

The bank operates globally, with a significant presence in major financial hubs across Europe, Asia, the Middle East, and North America. This international footprint allows UBP to offer clients a blend of local insights and global perspectives, enhancing its ability to provide relevant and effective financial strategies. UBP's independence as a privately-owned institution allows it to prioritize client interests, free from the pressures of external shareholders. This autonomy supports the bank's commitment to delivering personalized service and innovative financial solutions.

UBP's dedication to excellence and client satisfaction has established it as a leading name in the private banking sector, with a focus on sustainable and impact investing reflecting its forward-thinking approach.
