## Key Highlights

Molnlycke Health Care AB, founded in 1849, is a world-leading MedTech company headquartered in Mölndal, Sweden. With a legacy of over 175 years, the company has consistently driven innovation to improve patient outcomes and healthcare efficiency while reducing environmental impact. Molnlycke operates globally, with commercial entities in multiple countries and a presence in over 100 markets worldwide. The company's operations are supported by several manufacturing sites and thousands of employees committed to advancing healthcare.

Molnlycke is structured around four key business areas: Wound Care, Operating Room Solutions, Gloves, and Antiseptics. Among these, Wound Care represents the largest segment, accounting for 59% of the company's total sales in 2024. The company provides a range of effective and sustainable medical solutions, including advanced wound dressings, surgical equipment, antiseptic products, and innovative gloves. Molnlycke's mission is to revolutionize care for both people and the planet, combining clinical excellence with a strong focus on environmental responsibility.
