Key Highlights

Swiss Federal Railways, also known as SBB, is the national railway company of Switzerland. It operates as a state-owned enterprise and offers a wide range of services to its customers. These include regional, national, and international train services, as well as bus and boat connections. SBB also provides freight transportation and operates a number of railway stations and infrastructure throughout Switzerland.

In addition, the company offers various travel packages and discounts, such as the Swiss Travel Pass, which allows unlimited travel on all SBB trains and public transportation in Switzerland. SBB also has a mobile app and website that provide real-time information on train schedules, delays, and ticket purchases. Overall, SBB aims to provide efficient, reliable, and sustainable transportation options for both passengers and goods throughout Switzerland. Founded in 1902, the company is headquartered in Bern, Switzerland.
