This information helps manage the business environment and improve sales activities by gaining insight into competitors' operations.

Finally, the report includes recent news and deal activities undertaken by Abu Dhabi Islamic Bank PJSC enhancing awareness of the company's business trends, growth perspectives, and more.

Key Highlights

Abu Dhabi Islamic Bank PJSC, commonly known as ADIB, is a leading Islamic financial institution headquartered in Abu Dhabi, United Arab Emirates. Established in 1997 by Amiri Decree No. 9, the bank officially began its commercial operations in 1998. Since its inception, ADIB has grown steadily to become one of the foremost providers of Sharia-compliant banking services in the region. The bank's operations strictly adhere to Islamic principles, ensuring that all products, contracts, and financial transactions are fully compliant with Sharia law. With its headquarters in the capital city of Abu Dhabi, ADIB plays a vital role in the UAE's financial sector. The bank is publicly listed on the Abu Dhabi Securities Exchange under the ticker symbol ADIB, reflecting its transparency and commitment to strong corporate governance. Over the years, ADIB has built a solid reputation for financial strength, innovation, and customer-centric banking solutions, serving a diverse client base ranging from retail customers to large corporations. ADIB offers a comprehensive portfolio of financial products and services including retail banking, corporate banking, private banking, and treasury solutions. Its retail banking division caters to personal finance, home and auto financing, as well as credit cards all structured in line with Islamic finance principles. For corporate clients, ADIB provides trade finance, cash management, and business banking services designed to support growth and operational efficiency. In addition, the bank has invested heavily in digital transformation initiatives, deploying mobile and internet banking platforms that enhance customer experience through convenience, security, and personalization.
