Report description:

Wireless Telecommunication Services Top 5 Emerging Markets Industry Guide 2020-2029

Summary

The Emerging 5 Wireless Telecommunication Services industry profile provides top-line qualitative and quantitative summary information including: market share, market size (value and volume , and forecast to 2029). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

Key Highlights

- These countries contributed \$206.7 billion to the global wireless telecommunication services industry in 2024, with a compound annual growth rate (CAGR) of 4.2% between 2007 and 2011. The top 5 emerging countries are expected to reach a value of \$240.2 billion in 2029, with a CAGR of 3.1% over the 2024-29 period.
- Within the wireless telecommunication services industry, China is the leading country among the top 5 emerging nations, with market revenues of \$139.2 billion in 2024. This was followed by India and Brazil with a value of \$30.4 and \$16.5 billion, respectively.
- China is expected to lead the wireless telecommunication services industry in the top five emerging nations, with a value of \$157.3 billion in 2029, followed by India and Brazil with expected values of \$37.4 and \$24.6 billion, respectively.

Scope

- Save time carrying out entry-level research by identifying the size, growth, major segments, and leading players in the emerging five wireless telecommunication services market

Scotts International. EU Vat number: PL 6772247784

www.scotts-international.com

- Use the Five Forces analysis to determine the competitive intensity and therefore attractiveness of the emerging five wireless telecommunication services market
- Leading company profiles reveal details of key wireless telecommunication services market players' emerging five operations and financial performance
- Add weight to presentations and pitches by understanding the future growth prospects of the emerging five wireless telecommunication services market with five year forecasts by both value and volume
- Compares data from Brazil, China, India, Mexico and South Africa, alongside individual chapters on each country

Reasons to Buy

- What was the size of the emerging five wireless telecommunication services market by value in 2024?
- What will be the size of the emerging five wireless telecommunication services market in 2029?
- What factors are affecting the strength of competition in the emerging five wireless telecommunication services market?
- How has the market performed over the last five years?
- Who are the top competitors in the emerging five wireless telecommunication services market?
