### **Report description:**

City Profile - Doha; Comprehensive overview of the city, PEST analysis and analysis of key industries including technology, tourism and hospitality, construction and retail

#### Summary

"City Profile - Doha" provides historical and forecast data on key city level metrics along with analytical coverage of the latest political, economic, social, technological, infrastructural, legal and environmental issues affecting Doha.

The report contains detailed tourism, retail, construction, technology and public infrastructure data and insight into economic, social, and industry trends.

Doha city is the capital of Qatar and serves as a key economic, cultural and academic center of the country. Doha municipality accounted for 42.2% to the country's total GDP in 2024. The municipality experienced a real GDP growth of 3.6% in 2024, driven by a strategic diversification plan aimed at reducing reliance on oil and gas revenues. Doha's economy is projected to achieve an average annual growth rate of 4.5% from 2025-30, supported by initiatives outlined in Qatar's National Vision 2030 and the Qatar Economic Forum 2025.

#### Scope

- The secondary sector remains the key contributors to the regional economy - and the major employers.
