Ice Cream in India

#### Summary

Ice Cream in India industry profile provides top-line qualitative and quantitative summary information including: market size (value 2019-24, and forecast to 2029). The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

#### Key Highlights

- Ice cream market includes retail sales of impulse ice cream - single serve, artisanal ice cream, and take-home and bulk ice cream. Impulse ice cream - single serve segment covers individually packaged products such as ice cream bars, cones, cups, and sticks intended for immediate consumption. Artisanal ice cream segment includes high-quality, small-batch ice cream crafted using traditional techniques, often incorporating premium or locally sourced ingredients. Take-home and bulk ice cream segment covers larger packaging formats such as tubs, pints, and multi-pack products.
- The Indian ice cream market recorded revenues of \$2,735.2 million in 2024, representing a compound annual growth rate (CAGR) of 1.1% between 2024-29.
- Market consumption volumes declined with a negative CAGR of 0.7% between 2024-29, reaching a total of 631.6 million kilograms in 2024.
- The Indian ice cream market has experienced slow growth during the review period, primarily due to the increasing health consciousness among consumers and rising preference for nutrient-rich products.
