This information helps manage the business environment and improve sales activities by gaining insight into competitors' operations.

Finally, the report includes recent news and deal activities undertaken by International Holdings Co. PJSC enhancing awareness of the company's business trends, growth perspectives, and more.

Key Highlights

International Holding Company (IHC), established in 1999 and headquartered in Abu Dhabi, UAE, has grown into one of the world's largest and most innovative investment companies. From its humble beginnings, IHC has evolved into a proactive investment leader, building dynamic value networks that go beyond the traditional holding company model. The company operates globally, with a network of over 1,400 subsidiaries spanning diverse industries, including Asset Management, Healthcare, Real Estate, Financial Services, Mining, and Information Technology. IHC distinguishes itself by taking an active role in managing its portfolio, identifying unique growth opportunities, and fostering responsible investment. The company has formed more than 85 joint ventures and associates, enabling collaboration and accelerating value creation across sectors. Its sector-agnostic approach allows IHC to connect assets strategically, generating innovative partnerships and solutions that benefit both investors and stakeholders. Beyond financial growth, IHC is committed to sustainability and social responsibility. Through impact investing, climate finance, and environmentally conscious practices, the company seeks to protect natural resources and create positive societal impact. By combining innovation, responsible investment, and global reach, IHC continues to drive growth and meaningful change worldwide.
