providing guidance for investment decisions. Furthermore, the report compares Sumitomo Life Insurance Co's financial parameters with those of its competitors, offering a unique analysis of the competitive landscape. This information helps manage the business environment and improve sales activities by gaining insight into competitors' operations.

Finally, the report includes recent news and deal activities undertaken by Sumitomo Life Insurance Co enhancing awareness of the company's business trends, growth perspectives, and more.

Key Highlights

Sumitomo Life Insurance Company, established in May 1907, is one of Japan's leading life insurance providers with over a century of history in the financial services sector. Headquartered in Osaka, with a major office in Tokyo, the company has built a strong presence across Japan, operating through 92 branches and 1,531 sales offices. Sumitomo Life employs 42,511 individuals, including 32,082 sales staff, as of the end of fiscal year 2023. The company primarily operates in the life insurance industry, offering a range of services such as insurance underwriting, asset management, and defined contribution pension plan administration. It also acts as an agent for other insurance and financial institutions, and provides investment trust sales through its registration as a financial institution. Strategically located near key transport hubs in Osaka and Tokyo, Sumitomo Life serves both individual and corporate clients, continually expanding its service portfolio with initiatives like the "Vitality" health promotion program to support long-term wellbeing.
